Declaration of Conformity

We hereby declare that our products conform to the follow directives:

Products: PGT, PGI, PRIM II, PDT II, SDS II ,ARI ,OTI (HS Code 9031.80)
PDMT-A, PMT II, PMuT III, Adamas, SAM (HS Code 9027.80)

Products: PDG, PEGG, PGCG,ASEGG (HS Code 9017.30)

Products: PCS (HS Code 8423.10)

2006/95/EC	Electrical equipment designed for use with a voltage rating between 50 and 1000 V for an alternating current and between 75 and 1500 V for a direct current. These voltage ratings refer to the voltage of the electrical input or output, not to the voltages that may appear inside the equipment
2004/108/EC	has a level of immunity to the electromagnetic disturbance to be expected in its intended use, which allows it to be operate without acceptance degradation of its specified performance
2004/108/EC	electromagnetic disturbance generated by the apparatus does not exceed a level specified in harmonized EMC standards. This level is that above which radio and telecommunications equipment or other equipment may not be able to operate as intended
